

NEUROTWIN

HORIZON 2020 PROJECT

Kick-off meeting
30.09.2019, Kyiv

Gorazd Weiss,
Head of Unit " Research Policy and Development,
Centre for Social Innovation (ZSI), Austria

This project has received funding from the European Union's H2020 Programme for Coordination and support action under grant agreement no 857562.

- to promote the knowledge and experience of the BIPH scientists in writing winning applications
- to maximise BIPH organisation's chance of grant success
- to increase competitiveness of the BIPH researchers in fundraising from international grant bodies and from national and international business organizations,
- to improve BIPH innovation capacity through infrastructural and training measures in order to commercialise BIPH products and approaches,
- to enhance the networks and increase the potentials of BIPH researchers to compete in European projects in order to facilitate their cooperation in Horizon 2020 (and preparing for Horizon EUROPE)

Task 4.1. Organization of Proposal Writing Workshops

Task 4.2. Science-Industry Workshops

Task 4.3. Project & Grant Management Department

Task 4.4. Translational Research Office

Task 4.1. Organization of Proposal Writing Workshops

1. Writing a winning grant Workshop (month 3)
2. An Introduction to Horizon 2020 and Proposal Writing. (focus to Horizon Europe) (month 16)
3. An Introduction to Horizon 2020 Project Management (focus to Horizon Europe) (month 35)

Responsible Participant: **UCL**. Participating Partners: All Participants.

Task 4.2. Science-Industry Workshops

- organisation of three Science-Industry Workshops (months 8, 20, 35) involving our major industrial stakeholders from biomedical services and health care institutions in Ukraine and some overseas businesses, to exchange knowledge, ideas, and methods, and to establish solid science-industry relationship.

Responsible Participant: **BIPH**. Participating Partners: BIPH, ZSI.

Task 4.3. Project & Grant Management Department

Establishment and development of PGM Department at the BIPH (months 3-36) in line with good practices and standards from ROs from EU MS.

Responsible Participant: **ZSI**. Participating Partners: All Participants

Task 4.4. Translational Research Office

- establishment of a Translational Research Office (month 3-36)
- train the Translational Research Office staff, the staff members will visit the participating EU institutions and relevant EU courses focusing on the commercialization and translational implementation of advances in basic biomedical research. Each staff member will visit at least 2 relevant courses during the project implementation at UU (Uppsala University).

Responsible Participant: UU. Participating Partners: All Participants.

Participation per Partner

Partner number and short name	WP4 effort
1 - BIPH	39.00
2 - UCL	2.00
3 - IBMC	1.00
4 - ZSI	4.00
6 - UU	1.00
Total	47.00

List of deliverables

Deliverable Number ¹⁴	Deliverable Title	Lead beneficiary	Type ¹⁵	Dissemination level ¹⁶	Due Date (in months) ¹⁷
D4.1	PGM staff Training Visits	4 - ZSI	Other	Public	5
D4.2	Science-Industry Workshops	1 - BIPH	Other	Public	18
D4.3	Proposal Writing Workshops	4 - ZSI	Other	Public	27
